

Manufacturing Retailers.

We Have a Superb Assortment of the Daintier Pieces of Furniture So Justly Popular for Gifts.

There are always two important considerations in making a gift—its suitability and its merit. Something unsuitable is hardly likely to be accorded a sincere welcome, and something of doubtful quality is infinitely worse than no remembrance at all. Of course, we cannot judge for you whether a dainty piece of furniture is suitable in your particular case or not, but we can at least assure you that whatever you get here will be above question as to quality. Our low prices are not the result of inferiority in material or workmanship, but on account of our advantageous location and circumstances. You will find our prices invariably lower than similar qualities can be bought for anywhere else. You may possibly find some helpful suggestions among the following lists, and we are always delighted to have you come in and examine our stock.

ALEXANDRIA AFFAIRS

CASE AGAINST SAM'L CUVILLIER, JR., AMICABLY ADJUSTED.

Defendants Before Police Court This Morning—General and Personal News.

Evening Star Bureau, 701 King Street, Bell Telephone 1002.

ALEXANDRIA, Va., December 15, 1902.

No one appeared against Samuel Cuvillier, Jr., in the police court this morning at 9 o'clock, the time set Saturday for the hearing of the charge of larceny against him, which had been preferred in a warrant sworn out by William A. Ferguson, acting as trustee for Osceola Tribe, Independent Order of Red Men. The sum of \$3.50 was the amount which was alleged in the warrant to have been taken. Cuvillier was arrested Friday evening, and the case was called Saturday morning, but at that time it was continued by the mayor after hearing the statement of Trustee Ferguson. It was said then that an agreement would be reached between the parties interested whereby the case would be settled out of court, and such an agreement had been effected when the time came for the hearing this morning. Mr. Cuvillier was at one time trustee of Osceola Tribe.

Cases Before the Mayor.

Mayor Simpson disposed of a number of cases in the police court this morning. Geo. Griffin was up on the charge of assaulting Charles Churchill, colored. The case proved to be extraordinary, inasmuch as the defendant was at first the complainant. Late Saturday night Griffin came to the station house and preferred the charge of assault against Churchill, who was apparently in his custody. The stories told by the two were essentially different. Griffin alleged that he had been assaulted by the colored man, who in turn charged that the other

DICK FOR GOVERNOR

SLATE FOR STATE OFFICERS IN OHIO.

All the Candidates for Important Places Are Already Agreed Upon.

COLUMBUS, Ohio, December 15.—The announcement from Washington this morning that after a conference with Senator Hanna yesterday General Dick has decided to be a candidate for the nomination of governor next year is accepted here as settling that matter. It means that all other candidates will retire in his favor and that Dick will be nominated by acclamation. It is said that this to Senator Hanna's liking, but that he was forced to accede to the wishes of General Dick, who looks upon the present as his time, and says that the opportunity may never present itself again.

General Dick is strong with the republicans of Ohio, and Senator Hanna could not afford to break relations with him. With this matter settled, the work of the coming republican state convention will be a simple proposition.

The next most important office to be filled, auditor of state, will go to W. D. Guilbert, now serving his second term. Auditor Guilbert conferred with Senator Foraker and General Dick at Washington last week and came back announcing himself a candidate for a third term. There are no other candidates and will be none.

It is already arranged that Speaker W. S. McKinnon of Ashland will be the candidate for state treasurer, and it is believed also that by an agreement under which the municipal code bill was passed in the special session W. E. Guerin of Sandusky will be the candidate for attorney general. As Judge J. F. Burkett of the Supreme Court, whose term expires next year, is serving his final term, he will no doubt be renominated for a second term, so that the only offices in which the nominations are not already practically decided upon are the important ones of school commissioner and member of the board of public works.
